

1st October 2020

Dear Parent/Carer

I am writing with regard to GCSE PE. Throughout the course your child will take several end of unit tests, mock exams and two final examinations at the end of the 2-year course.

To assist with their learning and understanding of the various topics we highly recommend they purchase a revision guide and workbook. We have been able to get a discount on the books and they are **both available for £5** at no profit to the school.

The revision guide has all the content in that will be studied as well as various tasks to complete. The workbook has a vast amount of exam style questions which will only enhance the chances of your child getting the best grade they are capable of.

If you would like to purchase a GCSE PE revision guide, please log in to your school gateway account and make the payment of £5. Your child can then collect their books from the PE department.

Yours sincerely

Mr G Glover
Head of PE
