## Introduction

Since you started at Limehurst, you have taken a wide range of subjects and have had opportunities to learn in a variety of ways. It is now time to consider the next stage in your school career.

In September, you will begin courses that lead directly to GCSE (or equivalent qualifications) at the end of Year 11. This means that you will study slightly fewer subjects, but in greater depth. You will continue to study core subjects, but you will also have to decide which other subjects you wish to continue to study.

The purpose of this booklet is to explain the courses available — both core and as options — and it will help you and your parents to make informed choices about what type of course and which subjects best suit you.

Think about your choice of subjects carefully as the decisions you make now may be influenced by what you intend to do in the future. Remember, when you finish your learning at Limehurst, you will be making more choices about sixth form, college or apprenticeships.

We are offering you a curriculum in Years 10 and 11 which is relevant to your needs, both now and in the future.

Courses are arranged in such a way as to meet two other general aims:

1. To provide a broad and balanced education which keeps your career and further education options open for as long as possible.

and;

2. To give you the chance to follow your individual interests and develop your own particular abilities, both inside and outside the classroom.

Think carefully about your choices. Talk to your teachers about what each course offers. Think about what will be best for you and what you would like to be learning about.

## Core Curriculum

This is the part of the curriculum that you **do not** choose.

All students study the following courses at Key Stage Four:

### **English**

All pupils will study GCSEs in English Literature and English Language.

### **Maths**

All pupils will study GCSE Maths.

### **Science**

There are two pathways in Science. You may take Combined Science (worth two GCSEs) or Separate Sciences consisting of three GCSEs: Biology, Chemistry and Physics.

We recommend that students wishing to study Separate Sciences should have predicted outcome grades (POG) of at least **6** in **Maths and Science**. Students wishing to study Separate Sciences will choose this as one of their option choices and must talk to their Science Teacher before making this choice.

### **PE**

All students will take part in one lesson of PE a week. Pupils wishing to take a qualification in PE can also choose this as one of their options.

### **Personal Development**

All students will study PSHE, Citizenship, RE and Careers Education for one hour a week. This will enable you to develop important skills and to gain confidence in preparation for your future life and the next stage of your education. Students who wish to take a GCSE in Citizenship can choose this as one of their options.

## Pathways

You now have a number of option choices available to you.

- Most of you will have **four** option choices, including a Modern Foreign Language and either History or Geography. This applies to students on **Pathways One and Two**.
- Some of you will have **three** option choices, including extra time in English, Maths and Science. This applies to students on **Pathway Three**.

### Pathway One

On this route you will choose **one** of the following MFL subjects:

French

German

Spanish

#### And either:

History

or

Geography

You will also be able to choose any two options from the following:

Art	German***	Citizenship
3D Design	French***	Separate Sciences *
Food Preparation and Nutrition	Spanish***	Computing **
Textiles	ICT	Music
Geography	Drama	
History	PE	

\*If you wish to choose Separate Sciences you need to have a minimum of Grade 6 in Science and Maths.

\*\* If you wish to choose Computing you need to have a minimum of Grade 6 in ICT and Maths.

\*\*\* If you wish to choose to study two languages you need to have a minimum of Grade 6.

## **Pathway Two**

**On this route you will choose one of the following MFL subjects:**

French

German

Spanish

**And either:**

History

**or**

Geography

**You will also be able to choose any two options from the following:**

Art

3D Design

Food Preparation and Nutrition

Textiles

Geography

History

ICT

Drama

PE

Citizenship

Music

Students on Pathway Two may consider taking Separate Sciences, two languages or Computing GCSE. However they **must** have a minimum POG of 6 or above in these subjects (and Maths for Separate Sciences or Computing) and will need to discuss these options with their subject teachers.

## **Pathway Three**

**You can choose:**

French **or** German **or** Spanish

**And/or** Geography or History

**You will then choose up to two more options from the following:**

Art

3D Design

Food Preparation and Nutrition

ICT

Music

Drama

PE

Citizenship

Textiles

### **How do I make my choices?**

When making your choices it is really important to:

- Consider the subjects you enjoy and are good at.
- Find out about the new courses on offer.
- Discuss your choices with as many adults as you can; they can advise and support you. Your parents, subject teachers, form tutor, Head of Year and Careers staff are all willing and able to help.

In your Personal Development lessons you will be spending time going through the option process and will have lots of opportunities to consider all the possible choices you need to make.

When you, your parents and your teachers are satisfied you have understood what you want to choose then you will complete an option form. There is a practice form at the back of this booklet.

**All option forms must be completed by  
Friday 3<sup>rd</sup> April**

**Please make sure that you complete the correct part of the form and that you have two reserve choices.**

**Once you have made your choices you will have the opportunity to review them in the Summer Term – but you may not be able to change them.**

**No changes can be made to options choices beyond the end of September of Year 10**

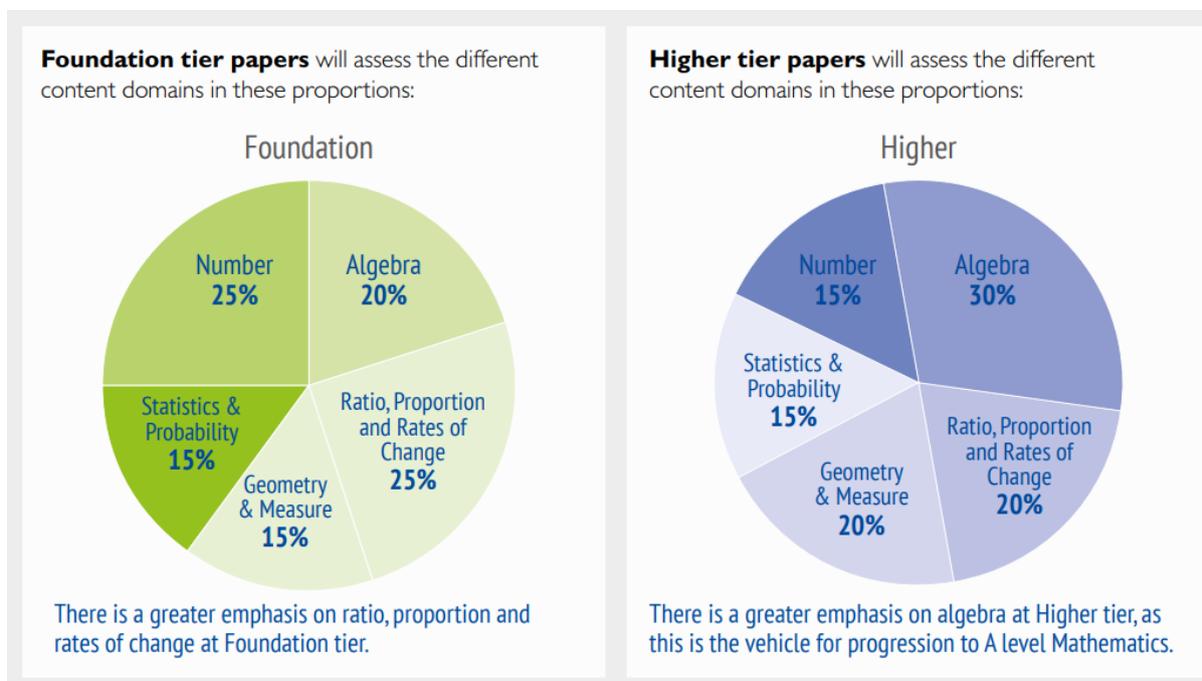

# Core Qualifications

These are the subjects  
you have to study

<b>English Language and Literature</b>																			
<b>Qualification:</b> Two GCSEs	<b>Exam Board:</b> Edexcel																		
<b>English Language</b> <ul style="list-style-type: none"> <li>• How to read and analyse fiction and non-fiction texts.</li> <li>• How to write imaginative and transactional texts for different audiences and purposes.</li> <li>• How to develop speaking and listening skills.</li> </ul>																			
<b>English Literature</b> <ul style="list-style-type: none"> <li>• How to analyse texts looking at the writer's craft.</li> <li>• A range of novels and plays including some of the following: Animal Farm, Frankenstein, Macbeth, A Christmas Carol.</li> <li>• Selected poems from an anthology.</li> </ul>																			
<b>Assessment:</b>  100% examination at the end of the course. <ul style="list-style-type: none"> <li>• English Language – Paper 1: Fiction and Imaginative Writing – 40% of overall mark – 1 hour 45 mins</li> <li>• English Language – Paper 2: Non-fiction and Transactional Writing – 60% of overall mark – 2 hours 5 mins</li> <li>• English Literature – Paper 1: Shakespeare and Post 1914 Literature – 1 hour 45 mins</li> <li>• English Literature – Paper 2: 19<sup>th</sup> Century Novel and Poetry since 1789 – 2 hours 15 mins</li> </ul>																			
<b>Some of the careers that use English:</b> <table style="width: 100%; border: none;"> <tr> <td>Actor</td> <td>Digital marketing officer</td> <td>Radio broadcast assistant</td> </tr> <tr> <td>Advertising copywriter</td> <td>Early years teacher</td> <td>Sales administrator</td> </tr> <tr> <td>Arts administrator</td> <td>Librarian</td> <td>Screenwriter</td> </tr> <tr> <td>Commissioning editor</td> <td>Marketing executive</td> <td>Teacher</td> </tr> <tr> <td>Computer games developer</td> <td>Newspaper journalist</td> <td>Speech and language therapist</td> </tr> <tr> <td>Crown prosecutor</td> <td>Paralegal</td> <td>Vlogger</td> </tr> </table>		Actor	Digital marketing officer	Radio broadcast assistant	Advertising copywriter	Early years teacher	Sales administrator	Arts administrator	Librarian	Screenwriter	Commissioning editor	Marketing executive	Teacher	Computer games developer	Newspaper journalist	Speech and language therapist	Crown prosecutor	Paralegal	Vlogger

## Combined Science / Separate Sciences

<b>Qualification:</b> Two or three GCSEs Foundation Tier: Grades 1-5 Higher Tier: Grades 4-9		<b>Exam Board:</b> Edexcel
<b>Biology</b>		
<u>Paper 1</u> <ul style="list-style-type: none"> <li>Overarching concepts in Biology</li> <li>Cells and control</li> <li>Genetics</li> <li>Natural selection and genetic modification</li> <li>Health, disease and development of medicines</li> </ul>	<u>Paper 2</u> <ul style="list-style-type: none"> <li>Overarching concepts in Biology</li> <li>Plant structures and their functions</li> <li>Animal coordination, control and homeostasis</li> <li>Exchange and transport in animals</li> <li>Ecosystems and material cycles</li> </ul>	
<b>Chemistry</b>		
<u>Paper 1</u> <ul style="list-style-type: none"> <li>Overarching concepts in Chemistry</li> <li>States of matter</li> <li>Methods of separating and purifying substances</li> <li>Acids</li> <li>Obtaining and using metals</li> <li>Electrolyte processes</li> <li>Reversible reactions and equilibria</li> <li>Transition metals, alloys and corrosion*</li> <li>Quantitative analysis*</li> <li>Dynamic equilibria calculations*</li> <li>Chemical cells and fuel cells*</li> </ul>	<u>Paper 2</u> <ul style="list-style-type: none"> <li>Overarching concepts in Chemistry</li> <li>Group 1, 7 and 0</li> <li>Rates of reaction</li> <li>Fuels</li> <li>Heat energy changes in chemical reactions</li> <li>Earth and atmosphere science</li> <li>Qualitative analysis tests for ions*</li> <li>Hydrocarbons*</li> <li>Polymers*</li> <li>Alcohols and carboxylic acids*</li> <li>Bulk and surface properties of matter including nanoparticles</li> </ul>	
<b>Physics</b>		
<u>Paper 1</u> <ul style="list-style-type: none"> <li>Overarching concepts in Physics</li> <li>Waves</li> <li>Light and the electromagnetic spectrum</li> <li>Particle module 1</li> <li>Radioactivity</li> <li>Astronomy*</li> </ul>	<u>Paper 2</u> <ul style="list-style-type: none"> <li>Overarching concepts in Physics</li> <li>Energy – forces doing work</li> <li>Forces and their effects</li> <li>Electricity and circuits</li> <li>Static electricity*</li> <li>Magnetism and the motor effect</li> <li>Electromagnetic induction</li> <li>Particle module 2</li> <li>Forces and matter</li> </ul>	
*Only applies to Separate Sciences		
<b>Assessment:</b> 100% examination at the end of the course.		
<b>Combined Science:</b>		
Biology 1 – 1 hour 10 mins Chemistry 1 – 1 hour 10 mins Physics 1 – 1 hour 10 mins	Biology 2 - 1 hour 10 mins Chemistry 2 - 1 hour 10 mins Physics 2 - 1 hour 10 mins	
<b>Separate Sciences:</b>		
Biology 1 - 1 hour 45 mins Chemistry 1- 1 hour 45 mins Physics 1- 1 hour 45 mins	Biology 2- 1 hour 45 mins Chemistry 2- 1 hour 45 mins Physics 2- 1 hour 45 mins	

<b>Some of the careers that use Biology:</b>		
Biomedical scientist Botanist Criminologist Dental nurse Environmental consultant Food scientist Gardener GP	Health visitor Horticultural manager Hospital doctor Microbiologist Nurse Oceanographer Pharmacologist Podiatrist	Speech and language therapist Teacher Vet Zookeeper Zoologist
<b>Some of the careers that use Chemistry:</b>		
Anaesthetist Chemical engineer Chemist Criminologist Dentist Energy engineer Food scientist	Forensic scientist Geotechnician GP Hospital doctor Laboratory technician Materials engineer Minerals surveyor	Nanotechnologist Nurse Oil rig worker Pharmacist Teacher Textile technologist Vet
<b>Some of the careers that use Physics:</b>		
Acoustics consultant Aerospace engineer Architect Broadcast engineer Civil engineer Criminologist	Design and development engineer Electronics engineer Geoscientist IT service engineer Meteorologist Nanotechnologist Nuclear engineer	Oil and gas operations manager Physicist Teacher

# Option Choices

These are subjects you  
can choose to study

A Specialist Sports College

## Geography

**Qualification:** GCSE

**Exam Board:** AQA

**You will study:**

**Paper 1**

- The challenge of natural hazards
- The living world
- Physical landscapes in the UK

**Paper 2**

- Urban issues and challenges
- The changing economic world
- The challenge of resource management

**Paper 3**

- Issue Evaluation
- Fieldwork (including two compulsory field trips)

**Assessment:**

Three examinations at the end of the course.

**Paper 1:** *Living with the Physical Environment*. 1 hour 30 mins. (35%)

**Paper 2:** *Challenges in the Human Environment*. 1 hour 30 mins. (35%)

**Paper 3:** *Geographical Application and Skills*. 1 hour 15 mins. (30%)

**Some of the careers that use Geography:**

Air cabin crew	Environmental consultant	Quantity surveyor
Archaeologist	Estates officer	Rural surveyor
Cartographer	Geoscientist	Teacher
Countryside ranger	Land surveyor	Tourist guide
Diplomatic service officer	Landscape architect	Town planner
Drone Pilot	Planning and development	Transport planner
Ecologist	surveyor	Travel agent

<b>History</b>		
<b>Qualification:</b> GCSE		<b>Exam Board:</b> Eduqas
<p><b>You will study:</b></p> <ul style="list-style-type: none"> <li>• America 1910 - 1929</li> <li>• Germany 1919 - 1990</li> <li>• Crime and Punishment 500 - Present Day</li> <li>• Elizabethan Era 1558 – 1603</li> </ul>		
<p><b>Assessment:</b> Four examinations at the end of the course. Papers 1 and 2 are taken on one day and Papers 3 and 4 on another day.</p> <p><b>Paper 1:</b> America 1910-1929 (25%) 1 hour and <b>Paper 2:</b> Elizabethan Era (25%) 1 hour.</p> <p><b>Paper 3:</b> Germany 1919-1990 (25%) 45 minutes and <b>Paper 4:</b> Crime and Punishment (25%) 1 hour 15 minutes.</p>		
<b>Some of the careers that use History:</b>		
Archaeologist Archivist Art gallery curator Broadcast journalist Conservator Editorial assistant	Land and property valuer Librarian Museum curator Proofreader Public relations officer Solicitor	Sub-editor Teacher Tourist guide Web content manager Writer

<b>French / German / Spanish</b>		
<b>Qualification:</b> GCSE Foundation Tier: Grades 1-5 Higher Tier: Grades 4-9	<b>Exam Board:</b> Edexcel	
<b>You will study a range of topics including:</b>		
<p><b>1. Yourself and Culture:</b> Family, where you live, daily life and customs, celebrations, music, sport, films and television.</p> <p><b>2. Local Area, Holiday, Travel:</b> Holidays, accommodation, eating out, shopping, weather, towns.</p> <p><b>3. School:</b> Subjects, school day, rules and pressures, school trips, school events and school exchanges.</p> <p><b>4. Future Aspirations, Study and Work:</b> Using languages after GCSE, travel, employment, further study, volunteer work, jobs.</p> <p><b>5. International and Global Dimension:</b> What brings the world together, such as sport, music events, campaigns and good causes, environmental issues, such as being 'green' and natural resources.</p>		
<b>Assessment:</b>		
<ul style="list-style-type: none"> <li>• Students will be assessed in the <b>4 key skills</b>.</li> <li>• Each examination makes up 25% of the total marks.</li> <li>• The examination papers are tiered Foundation (<b>F</b>) and Higher (<b>H</b>).</li> </ul>		
The examinations are:		
<b>Listening</b>	F: 30 mins	OR H: 40 mins
<b>Speaking</b>	F: 7-9 mins	OR H: 10-12 mins
<b>Reading</b>	F: 45 mins	OR H: 1 hour
<b>Writing</b>	F: 1 hour 10 mins	OR H: 1 hour 20 mins
<b>Some of the careers that use Languages:</b>		
Air cabin crew	Immigration officer	Translator
Air traffic controller	Public relations office	Transport planner
Airline pilot	RAF officer	
Broadcast journalist	Teacher	
Events manager	Tour manager	
Hotel manager	Tourist guide	

<b>Art</b>		
<b>If you choose Art, you cannot choose Textiles or 3D Design</b>		
<b>Qualification:</b> GCSE	<b>Exam Board:</b> OCR	
<b>You will study:</b>		
<ul style="list-style-type: none"> <li>• A wide range of approaches to expressing yourself through different materials, media and techniques.</li> <li>• Art, craft, design and media used today and in the past, and in different societies and cultures.</li> <li>• The different roles, audiences and consumers for art, craft and design.</li> <li>• Different techniques, and look at relevant processes and equipment.</li> </ul>		
<b>Assessment:</b>		
<ul style="list-style-type: none"> <li>• This GCSE has a non-exam assessment (NEA) unit, which will involve you producing a portfolio of work.</li> <li>• NEA means work you do in a supervised environment – which could be in your classroom or, for example, on a field trip. (60%)</li> <li>• There will also be a ten-hour practical task (for which you will have preparation time too). (40%)</li> </ul>		
<b>Some of the careers that use Art:</b>		
Advertising art director Animator Architect Art gallery curator Art therapist Fashion designer	Graphic designer Landscape Make-up artist Museum curator Photographic stylist Play therapist	Prop maker Set designer Teacher TV or film director Visual merchandiser Web content manager

<b>Textiles</b>		
<b>If you choose Textiles, you cannot choose Art or 3D Design</b>		
<b>Qualification:</b> GCSE	<b>Exam Board:</b> OCR	
<p><b>You will study:</b></p> <ul style="list-style-type: none"> <li>• How to use historical, cultural, and contemporary research into craftspersons, artists, and designers to give deeper meaning to your work</li> <li>• How to develop creative and unique ideas</li> <li>• How to use a wide range of Textiles media, techniques, and processes to explore and experiment</li> <li>• How to plan for and create personal outcomes</li> <li>• How to be an independent creative of the future!</li> </ul>		
<p><b>Assessment:</b></p> <ul style="list-style-type: none"> <li>• Projects run just like KS3 in structure (using four Assessment Objectives which allow you to showcase your skills across a broad range) you will undertake similar tasks, but with very different themes that you have chosen yourself!</li> <li>• The course is 100% NEA (work you do in a supervised environment – which could be in your classroom or, for example, on a field trip).</li> <li>• The course is split into two parts – Unit 1: Portfolio (a project developed by yourself worth 60% of your GCSE) Unit 2: Externally Set Task (a project developed from the exam board list worth 40% of your GCSE).</li> <li>• At the end of Unit 2 you will have a 10 hour period (split over two days) to create your final Piece.</li> </ul>		
<b>Some of the careers that use Textiles:</b>		
Advertising art director Art editor Clothing alteration specialist Conservator Costume designer	Design and development engineer Fashion designer Footwear designer Furniture designer Image consultant Interior design	Jewellery designer Magazine journalist Retail buyer Teacher

<b>Food Preparation and Nutrition</b>		
<b>Qualification:</b> GCSE	<b>Exam Board:</b> AQA	
<p><b>You will study:</b></p> <ul style="list-style-type: none"> <li>• Food nutrition and health</li> <li>• Food science</li> <li>• Food safety</li> <li>• Food choice</li> <li>• Food provenance</li> </ul>		
<p><b>Assessment:</b></p> <ul style="list-style-type: none"> <li>• Food preparation and nutrition theoretical knowledge: Written exam: 1 hour 45 minutes 50% of GCSE. Multiple choice questions (20 marks). Five questions each with a number of sub questions (80 marks).</li> <li>• Non exam assessment: two tasks, Food Investigation (35%) and Food Preparation (15%).</li> </ul>		
<b>Some of the careers that use Food and Nutrition:</b>		
Agricultural engineer Baker Barista Butcher Catering manager	Chef Farmer Food factory worker Food manufacturing inspector Food scientist	Hotel manager Nutritional therapist Packaging technologist Restaurant manager Teacher

<b>3D Design</b>		
<b>If you choose 3D Design, you cannot choose Art or Textiles</b>		
<b>Qualification:</b> GCSE	<b>Exam Board:</b> OCR	
<p><b>You will study:</b></p> <ul style="list-style-type: none"> <li>• A wide range of approaches to expressing yourself through different materials, media and techniques in three-dimensional design.</li> <li>• How to use a range of materials, media and techniques.</li> <li>• The history, modern relevance and future of three-dimensional design across a range of cultures.</li> <li>• How to develop the skills required for tomorrow's creative industries.</li> </ul>		
<p><b>Assessment:</b></p> <ul style="list-style-type: none"> <li>• This GCSE has a non-exam assessment (NEA) unit, which will involve you producing a portfolio of work.</li> <li>• NEA means work you do in a supervised environment – which could be in your classroom or, for example, on a field trip. (60%)</li> <li>• There will also be a ten-hour practical task (for which you will have preparation time too). (40%)</li> </ul>		
<b>Some of the careers that use 3D Design:</b>		
Aerospace engineer Architect Automotive engineer Biotechnologist Chemical engineer Civil engineer	Electrical engineer Ergonomist Furniture designer Heating and ventilation engineer Interior designer	Jewellery designer Manufacturing systems engineer Mechanical engineer Robotics engineer Teacher

## PE / Sport

**You will study one of these qualifications  
(the choice of which will be made at a later date)**

**Qualification:** GCSE

**Exam Board:** Edexcel

### **You will study:**

The course is split into four main units:

**Component 1-** Theory – Fitness and body systems = 36%. Applied Anatomy and Physiology; 2. Movement Analysis; 3. Physical Training. These topics are then broken down into sub modules – see PE for more information.

**Component 2-** Theory – Health and performance = 24%. Health, Fitness and Wellbeing; 2. Sport Psychology; 3. Socio-cultural Influences.

**Component 3-** Practical Performance = 30%. You are assessed in three different sports (one must be a team sport and one must be an individual sport).

**Component 4-** Personal Exercise Programme coursework = 10%. This is a 6 week training programme. It is designed by students in order to improve fitness and performance in a sport. They have to plan, complete and then evaluate the programme.

### **Assessment:**

**Components 1 and 2 (Theory)** The whole 60% is assessed by 2 written exams. The exams are at the end of year 1.

**Component 1** exam is 1 hour 45min long and is 90 marks (36% of your final grade).

**Component 2** exam is 1 hour 15 min long and is 70 marks (24% of your final grade).

**Component 3** 30% is an assessment of how well you can perform in **three** sports. These will be assessed firstly in lessons and then officially in a practical exam week during year 11. An external moderator will assess during this week. Please note that we will assess you in more than four sports over the course BUT we will pick your best three to go forward for assessment.

**Component 4** 10% is coursework. The coursework is a controlled assessment—this means it happens in school with the classroom teacher but in exam style conditions. The coursework is called a Personal Exercise Programme. You plan, complete and analyse a training programme designed to improve your own fitness.

<b>Qualification:</b> Level 1 / 2 Cambridge National Certificate in Sports Studies		<b>Exam Board:</b> OCR
<p><b>You will study:</b></p> <ul style="list-style-type: none"> <li>• Contemporary issues in sport</li> <li>• Developing sports skills</li> </ul> <p>Plus <b>two</b> of the following:  Sports leadership; Sport and the media; Working in the sports industry;  Developing knowledge and skills in outdoor activities</p>		
<p><b>Assessment:</b></p> <ul style="list-style-type: none"> <li>• 1 hour written exam (25%)</li> <li>• Three internally assessed assignments (worth 25% each)</li> </ul>		
<b>Careers that use PE / Sport</b>		
Events manager Health trainer Leisure centre manager Lifeguard Outdoor activities instructor	Personal trainer Physiotherapist Play therapist Sport psychologist Sports coach	Sports commentator Sports development officer Sports scientist Teacher

<b>Music</b>		
<b>You will study one of these qualifications (the choice of which will be made at a later date)</b>		
<b>Qualification:</b> GCSE	<b>Exam Board:</b> Edexcel	
<b>You will study:</b> Unit1: Performing Music Unit 2: Composing Music Unit 3: Music - Appraising		
<b>Assessment:</b> <ul style="list-style-type: none"> <li>• Performing Consisting of a number of ensemble and solo performances This unit is internally assessed.</li> <li>• Composing Music Two compositions (one free composition and one set by Edexcel) This unit is internally assessed.</li> <li>• Music Listening and Appraising Pupils will study 8 set works. There will be a final written paper at the end of the course lasting 1 hour 45 minutes. The set works are split into 4 Areas of Study. This unit is externally assessed.</li> </ul>		
<b>Qualification:</b> BTEC First Music	<b>Exam Board:</b> Pearson	
<b>You will study:</b> Two mandatory units: <ul style="list-style-type: none"> <li>• The music industry</li> <li>• Managing a music product</li> </ul> Plus two of the following: introducing live sound; introducing music composition; introducing music performance; introducing music recording; introducing music sequencing.		
<b>Assessment:</b> <ul style="list-style-type: none"> <li>• One externally assessed unit (25%)</li> <li>• Three internally assessed units (75%)</li> </ul>		
<b>Careers that use Music:</b>		
Acoustics consultant Audio visual technician Audiologist Broadcast engineer Community arts worker	Computer games developer Dancer DJ Events manager Music therapist	Musical instrument maker Radio broadcast assistant Studio sound engineer Teacher TV / film sound technician

<b>Drama</b>		
<b>Qualification:</b> GCSE		<b>Exam Board:</b> OCR
<p><b>You will study:</b></p> <ul style="list-style-type: none"> <li>• A range of theatrical skills and ways in which to devise from a stimulus.</li> <li>• Two extracts from one play text with the intention of presenting a showcase of these extracts.</li> <li>• Practical exploration and analysis of one play text to answer questions on in a written exam.</li> <li>• Analysis and evaluation of live theatre.</li> </ul>		
<p><b>Assessment:</b></p> <p><i>Devising Drama (30%)</i> A non-exam assessment where you devise from a stimulus.</p> <p><i>Presenting and Performing Texts (30%)</i> A non-exam assessment with a visiting examiner to assess performances of monologues, duologues and group pieces.</p> <p><i>Drama: Performance and Response (40%)</i> Exam assessment (1 hour 30 minutes)</p>		
<b>Careers that use Drama:</b>		
Actor Arts administrator Digital marketing officer Dramatherapist Entertainer	Events manager Image consultant Lighting technician Media researcher Screenwriter	Set designer Social media manager Teacher Tour manager TV / film producer

<b>ICT</b>		
<b>Qualification:</b> Cambridge National Level 1/2		<b>Exam Board:</b> OCR
<p><b>You will study:</b></p> <ul style="list-style-type: none"> <li>• Understanding tools, techniques, methods and processes to use for planning an ICT solution.</li> <li>• Understand how data can be collected, stored and used in an ICT solution.</li> <li>• Understand the different Cybersecurity threats that are present. And data security and ICT legislations.</li> <li>• Developing technological solutions using Spreadsheet, Database and various other software programs.</li> <li>• Learn to evaluate the development of the ICT solution</li> </ul>		
<p><b>Assessment:</b></p> <ul style="list-style-type: none"> <li>• Internally assessed task (50%)</li> <li>• One 1 hour 45 minute exam (50%)</li> </ul>		
<b>Careers that use ICT:</b>		
Teacher IT Manager IT Sales assistant Cyber security Analyst Project Manager	IT Support Assistant Database Administrator Web developer Network Administrator Software Engineer	Data Scientist Cloud Engineer Robotics Engineer Computer Hardware Engineer

<b>Computing</b>		
<b>Qualification:</b> GCSE		<b>Exam Board:</b> OCR
