Dear Parents/Carers

As you are aware your child is currently working through their GCSE Food Preparation and Nutrition course. This week (beg 7<sup>th</sup> Jan) they will be starting the NEA 2 (Non-Exam Assessment) which is the practical element of the course.

They have been presented with a choice of 3 different tasks from the exam board of which, they select one of these to complete. This part of the course runs over 20 hours; therefore, it is essential that your child is in attendance for their Food lessons, so not to miss any important parts of this exam.

They will be trialling/cooking different recipes that they have chosen to showcase their technical skills on the following dates: 17<sup>th</sup>, 24<sup>th</sup> and 31<sup>st</sup> of January 2020.

On Friday 7<sup>th</sup> February 2020 they will be in their 3-hour practical exam. I will contact you again nearer the date to keep you informed, of the times your child has been allocated.

If you have questions, please do not hesitate to contact me on 01509 263444.

Yours sincerely
