

Transition to Limehurst Academy 2021 Year 7 Form Tutors

Mr Robinson - Head of Year 7

I will be your Head of Year during your first year at Limehurst. I have met a lot of you already and am looking forward to welcoming you into our school.

My role is to work with your tutors to make the transition to secondary school as smooth and enjoyable as possible and to support you throughout year 7. I oversee the behaviour, attendance and wellbeing of everyone in the year group

I am also a PE teacher so you can often find me in the PE office.

My name is Mr Dickinson and in addition to being your form tutor, I teach Citizenship and Personal Development at Limehurst. Just like yourselves I'll be new to the school this year, so I'm just as excited as you are to start this journey together!

As your form tutor, I'll be there to guide you throughout your time at Limehurst. I'll be your first point of contact if you need any advice or support.

I'm really looking forward to meeting and getting to know you all as you adjust to secondary school life. Outside of school my interests include history, travel and all things to do with cycling!

Hi everyone! My name's Mr Henn, I am a mathematics teacher and your future form tutor. I am really looking forward to starting your secondary school journey with you, as what is exciting, is that I will be new to Limehurst too.

As your form tutor, I am usually the first teacher you will see every day, and someone you can come to with any questions, for help and support. It's my job to make sure your time at Limehurst is as successful as it can be, and I will be there to guide you when needed.

I can't wait to meet you all in September!
