

24th April 2020

Dear Parent/Carer,

Congratulations on receiving a place for your child at Limehurst Academy. We are delighted to be welcoming you to join our school community.

The situation we currently face is new for each of us and we would like to reassure you that we very much have you in mind. You are about to start the exciting journey of moving to secondary school and we want to ensure that your transition to Limehurst is a successful one.

We would therefore like to reassure parents that information about learners is currently being shared from the primary schools with our staff. This is to ensure that essential information and ways to support each and every young person is communicated to enable a smooth transition.

Whilst there has been much speculation in the press about when and how schools will reopen in the future, no decisions about how this will happen have been made by the government and no date for reopening has been set. Therefore, we will continue to monitor the situation with regards to offering transition events and will look to adapt our offer accordingly.

In the meantime, you can take a virtual tour around our school by clicking [here](#) and you can keep up to date with information by following us on Twitter @LimehurstAc. The BBC bitesize website also has some useful resources about moving to secondary school. The link to them is [here](#).

We will write to you with further information in due course.

Jonathan Mellor
Headteacher
