

18th December 2020

LETTER FOR PARENTS OF STUDENTS IN YEARS 7-10

Dear Parent/Carer

The government has confirmed that for most year 7-10 students, face-to-face learning will not begin until Monday 11th January. Remote learning will take place for these students in the week before this, beginning on Tuesday 5th January. We will write to you with further information on how to access this remote learning in January.

However, we can offer your child a place in school, but only if **both** of the following conditions are true:

- a) all adults in the house are classed as [critical/key workers](#), and
- b) you cannot make other arrangements for your child that week.

If both of these conditions apply to you, please complete this [two-minute survey](#) to request a place at school for your child between Tuesday 5th – Friday 8th January. We will then contact you on Monday 4th January to let you know whether your request is accepted.

All students will be expected to return to school on Monday 11th January at the usual time.

I wish you all a peaceful and healthy holiday period.

Yours sincerely

J Mellor
Headteacher
