**Year 11 Academic Monitoring
Autumn Term**

Dear Parent / Carer

As you know, year 11 is a really important time in your child's education. We want your child to achieve the highest possible grades they can in their final exams in the summer.

With this in mind, Miss Pitt, Head of Year 11 will be working with your child and their teachers for the next four weeks to help them identify their main barriers to success and what they can be doing both in lessons and at home to maximise their potential to achieve.

We will be sending you weekly updates about your child's progress in each subject area. If you have any questions, or would like any more information, please contact school and ask to speak to Miss Pitt.

Yours sincerely,

Vickie Beeby
Deputy Headteacher
