**Year Seven 'Settling in' Parents' Evening
Monday 1st November 2021**

Dear Parent / Carer

We are really pleased with the way in which our new Year Seven cohort have settled in during their first half term at Limehurst.

We would like to invite you to make a five minute appointment for a video call with your child's form teacher on **Monday 1st November** between 3:45 and 6:15pm. The appointment gives you the opportunity to talk to your child's form teacher to discuss your child's transition from primary to secondary school.

If you would like to talk to a member of staff about a SEND or pastoral matter, please contact school separately. There will be another parents' evening, held later in the school year, where you will be able to talk to each of your child's subject teachers about their progress across the curriculum.

Appointments can be made from 14th October and will close on 31st October. Should you wish to make any changes after this date please contact the school office.

Please visit [SchoolCloud - Limehurst Academy](#) to book your appointment. This [link](#) gives further information about how to use the video call system. Please note that you will need to be on your call at the exact time booked.

You will need to login with the following information (this needs to be the same information that we hold on record at school – please contact school if you are unable to log in or if you need to update any of this information). When entering your child's name, you should use the 'preferred name' they use at school, if this differs to their 'official name':
