

March 2022

## Year 11 Exams

Dear Parent/Carer

I wrote to you previously about the government's contingency plans if the summer exams are unable to go ahead as planned in May and June 2022. The government are very much committed to the summer exam series going ahead, and therefore, at present, we are **not** planning on collecting any more evidence for Teacher Assessed Grades.

Attached to this letter is a full timetable of the summer exam series for GCSE and other Level 1/2 qualifications. After the Easter holidays, students will receive a personalised version, containing information only about the qualifications they are taking.

The summer exam series is a public examination series, meaning that the times and dates of the tests are set by the exam boards. Students must attend all examinations. In addition, students must be available up until the contingency exam date, set by the Awarding Bodies and the Joint Council for Qualifications (JCQ), which is Thursday 29<sup>th</sup> June.

For morning exams, registration will take place in form rooms as usual and students will go to their exam rooms at 9:00am.

Where students have an exam in the afternoon, they will go to their exam rooms at 1:45pm.

Students are not able to start exams late, or leave exams early. If they are absent on the day of an exam they will **not** be able to sit the exam at another time. Therefore, we would appreciate your assistance in helping to make sure your child arrives at school promptly. Please also take note that some afternoon exams are more than one hour in length, and so on these occasions, your child will remain at school after 2:45pm until their exam has finished.

On days when your child does not have an exam, they will be expected to attend school as usual.

Students are reminded to bring the correct equipment for their exams and must be wearing the correct uniform. Mobile phones and any other electronic devices must not be on or near them during the exam.

Further information about exams can be found on the [school website](#) and the [JCQ website](#).

A letter detailing your child's final weeks and how they can collect their GCSE results in August will be sent out before the end of the exam series.

Yours sincerely,

Vickie Beeby  
Deputy Headteacher

# Summer 2022 Exam Timetable

Headteacher: Jonathan Mellor
