Year 10 Mock Exams

Dear Parent / Carer

I am writing to inform you that your child will take mock examinations during the weeks beginning Monday 13th June and 20th June. Attached to this letter is a copy of Examination timetable. Individual timetables will be given to students after half term.

Your child's teachers will give students information about which aspects of the specification they should revise in order to prepare for the examinations in each subject area.

For morning tests, registration will take place in form rooms, and students will go to their exam rooms at 9:00am. For afternoon tests, students will go to their exam rooms at the end of Lesson 4 at 1:45pm.

Students are not able to start exams late or leave exams early. Therefore, we would appreciate your assistance in helping to make sure your child arrives at school promptly each morning. Please also note that most afternoon exams are more than one hour in length, and so on these occasions, your child will remain at school after 2:45pm until their exam has finished.

Students are reminded to bring the correct equipment (black pen, pencil, eraser, sharpener, ruler, calculator (for maths, science and geography) and a maths set (for maths) in a clear pencil case.

Students must also wear the correct school uniform. Watches and mobile phones and any other electronic devices must not be on or near them during the exam.

May I take this opportunity to wish all of Year 10 good luck!

Yours sincerely,

Vickie Beeby
