

Individual timetable: June 5th onwards

Dear Parent / Carer,

We are really pleased with the way in which our year 11 students are managing the exam season. Thank you once again for all you are doing to support your child during this period.

For the remainder of this week, students are expected to attend school full time, including attending all lessons when they are not exams.

From **Monday 5th June onwards**, students will be following individual timetables, which are built around the examinations they are yet to take, so that students are mainly scheduled for lessons in these subjects. **Your child's timetable has been given to them today.** You will note that on some days, students may be starting school later, or finishing earlier than usual.

Students must continue to attend school in full school uniform during this period of time.

I will write to you again in June with details of the collection of examination results on Thursday 24th August.

Yours sincerely

Vickie Beeby
Head of School
