**Year Seven Parents' Evening (online)
Monday 12th June 2023**

Dear Parent / Carer

I would like to invite you to make appointments for our online Parents' Evening on **Monday 12th June**.

The school is continuing to use an online appointment booking system. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. You will be able to book five minute video appointments with each of your child's subject teachers.

If you would like to talk to a member of staff about a SEND or pastoral matter, please contact school separately. If you would like to receive information about your child's progress in a subject area and you are unable to make an appointment, also contact school separately.

Appointments can be made from Monday 29th May and will close on 11th June Should you wish to make any changes after this date please contact the school office.

From Monday 29th May please visit [SchoolCloud - Limehurst Academy](#) to book your appointments. This [link](#) gives further information about how to use the video call system. Please note that you will need to be on each call at the exact time booked.

You will need to login to SchoolCloud with the following information (this needs to be the same information that we hold on record at school – please contact school if you are unable to log in or if you need to update any of this information). When entering your child's name, you should use the 'preferred name' they use at school, if this differs to their 'official name':
