### Year 10 Mock Examinations – update to timetable

Dear Parent / Carer

Attached to this letter is an updated copy of mock examination timetable, which has been adjusted to reflect the likelihood of Eid al – Adha taking place on Wednesday 28<sup>th</sup> June. Individual timetables will be given to students later this week.

Your child's teachers have given students information about which aspects of the specification they should revise in order to prepare for the examinations in each subject area.

For morning examinations, registration will take place in form rooms, and students will go to their exam rooms at 9:00am. For afternoon examinations, students will go to their exam rooms at the end of lunch.

We follow the JCQ guidelines for mock exams, as we feel this is the best way to prepare students for the public examinations they will take next summer. Students are not able to start exams late or leave exams early. Therefore, we would appreciate your assistance in helping to make sure your child arrives at school promptly each morning. **Please also note that most afternoon exams are more than one hour in length, and so on these occasions, your child will remain at school after 3:00pm until their exam has finished.**

Students are reminded to bring the correct equipment (black pen, pencil, eraser, sharpener, ruler, calculator (for maths, science and geography) and a maths set (for maths) in a clear pencil case. Watches and mobile phones and any other electronic devices must not be on or near students during an exam. If students want to take a water bottle into the examination room, then this must be in a clear bottle, with the label removed.

May I take this opportunity to wish all of Year 10 good luck!

Yours sincerely,

Vickie Beeby

Head of School.
