Geography Revision Materials

Dear Parents / Carers,

Geography GCSE is a linear course with three external examinations in the Summer Term of Year 11. With this in mind, I would like to offer you the opportunity to purchase a Revision Guide and Textbook to help prepare your child for examination.

These books are priced at £4.50 for the revision guide and £18.89 for the textbook.

I am strongly recommending that you purchase at least the revision guide, as they have proved very useful to previous cohorts.

We will continue to provide students with a range of in – school revision materials free of charge.

Please complete the attached reply slip indicating which publications you wish to purchase and return the slip plus payment.

Yours sincerely,

I Cresswell

Head of Geography

PLEASE RETURN WITH PAYMENT TO YOUR CHILD'S GEOGRAPHY TEACHER

Name of child..... Form.....

I would like to purchase the Geography Revision Guide priced £4.50

I would like to purchase the Geography Revision Workbook priced £18.89

I enclose the correct payment
