

22<sup>nd</sup> May 2020

Dear Parent/Carer,

We hope that you and your families are all safe and well.

Following the recent announcements from the government, we are unable to run any transition days for year 6 students. However, we want to reassure you that we will assist you in any way that we can to ensure that all students arrive, whenever their first day at Limehurst Academy may be, excited and fully informed about the next chapter of their education.

We have been working to produce some resources to help your child with the transition process and have built a new part of our website dedicated to this. The link can be found [here](#). There is information about our school, key staff, a quiz linked to the virtual tour and some subject specific projects to be working on. The BBC bitesize website also has some useful resources about moving to secondary school. The link to them is [here](#).

To support us in ensuring that we have all of the relevant details about your child, including emergency contacts and medical details, please can you complete this [form](#) by Friday 5<sup>th</sup> June.

As you will not be able to come into school to try on uniform, we will offer a click and collect service and you will be able to exchange any items that do not fit. Please visit the uniform section of the website [here](#) for further details on what uniform your child will require and how to complete an order.

Mr Robinson is currently working on placing students into tutor groups and we will write to you after half term to let you know who your child's form tutor will be.

Remember, you can keep up to date with information by following us on Twitter [@LimehurstAc](#) as well as checking our school website. If you have any questions or queries you can also call the office between 9am and 12pm or email [transition@limehurst.org.uk](mailto:transition@limehurst.org.uk).

We will write to you with further information in due course.

Jonathan Mellor  
Headteacher
