**Year Seven 'Settling in' Parents' Evening
Monday 10th October 2022**

Dear Parent / Carer

We are really pleased with the way in which our new Year Seven cohort are settling in during their first half term at Limehurst.

We would like to invite you to make a five minute appointment for meeting **in school** with your child's form teacher on **Monday 10th October** between 3:30 and 6:00pm. The appointment gives you the opportunity to talk to your child's form teacher to discuss your child's transition from primary to secondary school.

If you would like to talk to a member of staff about a SEND or pastoral matter, please contact school separately. There will be another parents' evening, held later in the school year, where you will be able to talk to each of your child's subject teachers about their progress across the curriculum.

Appointments can be made from 26th September and will close on 9th October. Should you wish to make any changes after this date please contact the school office.

Please visit [SchoolCloud - Limehurst Academy](#) to book your appointment. Please use the Community Room entrance at the front of school (not Reception), when you arrive for your appointment.

You will need to login with the following information (this needs to be the same information that we hold on record at school – please contact school if you are unable to log in or if you need to update any of this information). When entering your child's name, you should use the 'preferred name' they use at school, if this differs to their 'official name':
