

Speakers for School – Virtual Work Experience

As advertised last week, the Speakers for Schools virtual work experience is still open for application. The work experiences are undertaken during the summer holidays are an invaluable addition to your C.V.

SPEAKERS
for schools
EXPERIENCE

Completing online work experience is now considered to meet the criteria with full interaction and participation; for example through presentations worked on collaboratively and presented back to employers by you. The Speakers for School virtual work experience offers a range of work experiences in sectors such as construction, music, banking, sustainability, media and retail. You can register and take a look at what is on offer [here](#). If you are interested in taking part then please take note of the minimum age, duration, application deadline and area of the country it is offered in.

The application process is robust so if you would like any support with your application then please contact office@limehurst.org.uk or telephone.

Speedy Speakers

You have been invited by Leicestershire Cares (a local charity) to take part in their next Speedy Speakers webinar.

Get an insight into the world of work, employability and careers. Log into the webinar below to listen to and pose questions to two speakers – Lauren Lander, The access Group (IT and Software Development) and Claire Cannell, Everards Brewery Events and Promotions Manager. You will have your camera and speaker off but can ask questions in the chat box.

Date: Thursday 9th July

Time: 11.30am

Link to join: <https://us02web.zoom.us/j/88583745386>

Password: 539940

The webinars will be recorded and can be viewed later too.

Young Professional

As your career develops you will find many professional bodies that you can join to continue your development and make contact with others in your sector.

Aged 14-24?
Become a #YoungProfessional
Boost your life skills. For free.

You too can join your own professional body! You can sign up [here](#) to become a Young Professional. As well as signing up for their newsletter you will also:

- Find ways to boost your life and work skills through skills support from Youth Ambassadors.
- Being a Young Professional shows you have passion for your career and is something you can put on a C.V.
- Get your voice heard so that you can help shape UK policy and youth employment.

CAREERS - I'm interested in...

We have featured KUDOS in previous newsletters but in case you missed it is great to know about. KUDOS is an online careers platform used in school as part of our careers programme. It can be used to explore careers, industries and types of work. Students can create their own profile and career development plans.

Most students have already been introduced to this in their PD lessons, but everyone should be able to access this at home too. It can be used to investigate the careers featured in the newsletters

Link to KUDOS: <https://kudos.cascaid.co.uk/#/>

Username: this is the student school email e.g. PG0512@limehurst.org.uk

Password: this the initials and birth date of student e.g. PG0512

Stephenson College

Thinking about what you will do after leaving Limehurst is always a big decision and it is never too early to begin the process of finding out what is available at post 16. Making an informed decision that is right for you is so important. Follow the link [here](#) to the Stephenson College newsletter.

You can also take a look at their recent virtual open day where you can experience a range of professions that are stereotypically seen as professions for male/female only and hopefully it will give you the inspiration to ["Break the Mould"](#).

Big Bang Fair

Many of you have previously visited the Big Bang Fair with school but, as expected, this year is going to be a different experience!

Meet the inspirational scientists, healthcare professionals, engineers, technicians and students doing incredible things during lockdown. The Big Bang Digital 2020 is a free, online event on Tuesday 14th July that celebrates the amazing work of scientists and engineers in a pandemic. The 1-day event celebrates their achievements, hears about challenges, innovation and collaboration and explores some upsides to lockdown. Access the event [here](#).

Big Bang DIGITAL 2020

Science, engineering & Covid-19

Future TalentEd

Future TalentEd is a magazine that aims to bring the world of work to life. It has lots of tips, insights and downloadable activities to help you navigate this period of uncertainty and learn more about what future careers will now entail. It Features:

- First-hand insights into different jobs , sectors and the skills you need Practical activities and resources to develop confidence, resilience and financial literacy
- An interview with journalist Robert Peston, founder of Speakers for School, on the outlook for young people post-Coronavirus.

Access the magazine [here](#)

Accountancy, Banking and Finance

As with all careers sectors there is never one job role within it.

Have a look [here](#) to find out about the different roles in accountancy, banking and finance. Look at the skills that you may already have and the ones you may need to develop if this is your career aspiration. It also tells you how to plan for a future in this sector; which school subjects would be beneficial and routes in such as apprenticeships and university.

Speakers for Schools – Virtual Talks

Join the VTALKS 10 mins before it begins.

You can join without needing an account; [watch how here](#).

For full speaker descriptions visit the [VTALK Schedule here](#).

Watch pre-recorded VTALKS from the library [here](#).

Send us your work!

We would love to see some of the careers work you have been doing!

Please share the work that you do, for example, research tasks, screen shots of work completed on line, photographs or a write up reflecting on what you've learnt. Tell us what you think! Email your work to office@limehurst.org.uk don't forget to add your name and year.

Students, parents, carers: Thank you for picking up and reading our Careers Newsletter. We hope that you have found some new careers information or found a careers activity to engage in. If you have any feedback or feel that yourself or people you know may be able to contribute to our careers programme then please let us know. Please email: office@limehurst.org.uk.
