What to expect from our open events

We are constantly reviewing how to deliver our open events considering the restrictions in place due to COVID 19 and therefore, our events for the first term will all be online. We hope that at some point next year we will be able to host some events in College.

Eitherway, they are the perfect opportunity for you to find out more about our courses and college life.

Our Virtual Events include:

- ◆ Welcome from our Principal
- ◆ Virtual Tour of the College
- ◆ Full details of our courses
- ◆ Q&A sessions with current students
- ◆ Live Q&A sessions with our lecturers
- ◆ Interactive areas with activities and challenges
- ◆ Presentations from student services on student welfare, enrichment, work experience, finance, transport and more.
- ◆ Admissions team available to assist with the application process
- ◆ Personal career advice and guidance from our Careers Adviser

Our Open Events in College allow you to:

- ◆ View the fantastic facilities including our industry standard workshops
- ◆ Meet our friendly lecturers and ask any questions
- ◆ Try your hand at our taster activities
- ◆ Meet some of our current students and find out what college is like
- ◆ Pop in to our Student Services Team and talk to them about student welfare, enrichment, work experience, finance, transport and more
- ◆ Complete an application form and arrange an interview
