25th September 2020

Dear Parent/Carer,

### **Post-16 Information Evening - Wednesday 30th September 2020**

Iveshead School is an 11-18 school based in Shepshed, Loughborough. We have a proven track record when it comes to both GCSE and A-Level results, and would welcome the opportunity to show prospective students and parents what we can offer in our Post-16.

This year, due to current Covid-19 restrictions, our usual Post-16 Information Evening will be replaced with a series of informative videos.

We ask all interested students and their families to reserve a place at our 'virtual' open evening by clicking here <https://forms.gle/mBJhDg2yckp6bpyn7> and entering your details.

A link to our 'Post-16 Information' video will then be shared with interested parents and students at 5.30pm on the 30th September. It will include details on what we can offer students who study A-Levels at Iveshead School. We will also be sending out links to other useful videos and resources over the next few weeks and months. This will include a short video guide to different A-Level subjects at Iveshead.

Please also be aware that should you have any follow-up questions, then do not hesitate in contacting [njames@ivesheadschoo.org](mailto:njames@ivesheadschoo.org). Specific questions about individual subjects can be sent directly to the relevant Director of faculty. You can also find details on the subjects we offer on our school [website](#).

Our 2021 application system will go live on Monday 12th October ready for students to apply. We very much look forward to showing students and families what we can offer to help them in their next steps of academic life.

Kind regards

Nathan James  
Director of Post-16, Iveshead School
