

National Careers Week 6Th – 11th March at Limehurst Academy

Events available all week	Parents/carers	#BeSomeone - Virtual SEND Week of Webinars – a chance to find out about Apprenticeships & Traineeships. They will be covering the general information, how to Search & Register on the GOV.UK website, and how to showcase skills & strengths to employers. These events are aimed at SEND students but will be very useful for all students, staff, parents and carers. Sessions last 45'. Book your place by opening the attached PDF #BeSomeone.
	Students	
	Parents/carers	Each day on the school bulletin there will be careers news and opportunities. All the information will also go directly to students via Teams and be available on the school website.
	Students	
	Students	Teaching staff will be linking their curriculum learning to careers; highlighting the employability skills that are developed in their subjects and highlighting career pathways linked to their subjects through discussions and videos featuring employers and employees.
	Students	Interactive workshop from BBC Bitesize - Career we Go (depending on each subject curriculum)
