We are extremely proud of the high standards and expectations that we have of all our students and believe that our students should look smart and professional and that they take pride in their appearance and in their school. Wearing of the uniform will be enforced and we ask parents/carers for their complete support.

The list below is intended to help parents/carers know what is permitted in school and what is not. If ever parents/carers are in any doubt about items relating to the school uniform policy – please telephone and clarify the query before purchasing. School uniform can be ordered online through our Direct to Parent ordering system.

Students may wear a small number of discreet, smart-looking piercings. This includes piercings in the ear and a single nose stud. All jewellery must be modest in size and appropriate for a school environment. For health and safety reasons, all jewellery must be removed for PE and practical lessons. At times of extreme weather, it may be possible for students to wear their PE uniform to school. This will be communicated in advance.
